Included in capital credit allocation

FRANCHISE FEES

Not included in capital credit allocation

ENERGY CHARGE
Charges for energy consumed during the billing period.
Included in capital credit allocation

PURCHASED POWER ADJUSTMENT

Included in capital credit allocation

WHAT ARE CAPITAL CREDITS?

1

Cass County Electric tracks how much electricity you buy and how much money you pay for it throughout the year.

2

We pay the bills for things like power generation, maintenance, and new construction.

3

Then, at the end of the fiscal year, the board of directors determines if there are excess revenues, called margins.

4

Next, the cooperative allocates those margins to members as capital credits based upon their electric bill.

5

Lastly, your board of directors decides to retire, or pay, the capital credits when our financial condition permits.

HOW DO I RECEIVE MY CAPITAL CREDITS?

CREDIT ON BILL:

Members with an active account

OR

CHECKS ISSUED:

Inactive, former members

A minimum \$5 capital credit amount must be met.

\$4.5 million

The Cass County Electric board of directors approved the retirement of capital credits for the years 2001 and 2002 as well as estate and early retirement payments.

Search our list of unclaimed capital credits at CassCountyElectric.com/capital-credits to see if anyone you know is owed money from Cass County Electric Cooperative!

These credits' taxability depends on whether your electric bills served as a business tax deduction on your income tax return for the years in which the capital credits were allocated. For most individuals, the receipt of capital credits is non-taxable. Please contact your tax preparer if this tax deduction pertains to you, as this information is provided as a courtesy and is not intended to be construed as legal or tax advice.

- UNCLAIMED CAPITAL CREDITS -

In March 2023, Cass County Electric Cooperative directors approved a total retirement of \$4.5 million in capital credits to members who purchased electricity in 2001 and 2002 as well as estate and early retirement payments. This is a list of individuals whose capital credit checks were returned or uncashed from the general retirement.

If you recognize a name, please let the individual know that they can contact Cass County Electric Cooperative at 800-248-3292 or info@kwh.com to claim their capital credit check.
